(d) Notwithstanding any other right or remedy the Employer may have, the Contractor agrees that in the event it fails to comply with its health and safety obligations as set out in the Contract, the Employer’s Representative may issue a Health and Safety Improvement Notice to the Contractor. This Notice shall be given under Sub-Clause 11.1 [Notice to Correct]. In this case, the Contractor shall be responsible to implement any corrective measures required to comply with the Health and Safety Improvement Notice, and as may be instructed by the Employer’s Representative in the Notice, at its own costs.

(e) In accordance with a Notice to Correct, in case of a breach of a Health and Safety Improvement Notice by the Contractor, the Employer shall have the right to terminate the Contract under Clause 11 [Termination by Employer].

(f) In addition, the Employer’s Representative shall have the right to suspend all or part of the Works for and as long as the Contractor remains in breach of its health and safety obligations and until it has taken any required corrective measures, at its own costs, as may be instructed by, and to the satisfaction of, the Employer’s Representative. For the avoidance of doubt, in case of such a suspension, the Contractor shall not be entitled to an EOT or any increase to the Contract Price in accordance with Sub-Clause 6.7 [Consequence of Employer’s Suspension].

(g) In the event of an imminent risk on the Site, notwithstanding any other provision of the Contract, the Employer’s Personnel shall have the right to immediately suspend all or part of the Works, instructing orally, as may be appropriate. The Employer’s Representative shall be informed as soon as possible and shall assess the situation and instruct the Contractor of any corrective measures that may be required before the Works can resume. The Employer shall then confirm the suspension and corrective measures in writing not later than forty-eight (48) hours after being informed of the suspension.

(h) The Contractor shall also pay any monetary fines and remediation costs as specified in the Contract, if any, and/or as may be imposed by the relevant Authority for health, safety, social and environmental breaches.

(i) The Employer may instruct the Contractor to terminate the Subcontractor and/or Nominated Subcontractor in case of breach of health and safety obligations by the Subcontractor and/or Nominated Subcontractor which in the opinion of the Employer’s Representative is serious or repeated.

(j) In case of any health and safety related incident that may occur during the execution of the Work, the Contractor’s Representative shall, as soon as possible and within no more than twenty-four (24) hours after the incident, submit to the Employer’s Representative a report detailing the incident.

(k) The Contractor shall take all necessary measures to protect the environment (both on and off the Site) and consistently adhere to the Social and Environmental Management Plan for the Works and shall at all times:

(i) carry out its obligations under the Contract in an environmentally and socially responsible manner ensuring all necessary precautions are taken to prevent negative impacts on the environment and communities in accordance with Industry Best Practices (both on and off the Site);

The QMS shall be specifically prepared for the Works and submitted to the Employer’s Representative within twenty-one (21) days after the Commencement Date.

(b) The Contractor shall carry out an internal review of the QMS regularly and submit the results of such internal reviews to the Employer's Representative along with any proposed measures to improve and/or rectify the QMS and/or its implementation. Thereafter, whenever the QMS is updated or revised, a copy shall promptly be submitted to the Employers Representative.

(d) The Employer may, under Sub-Clause 9.1 [Right to Vary], vary the location or timing or details of specified tests in the Contract or instruct the Contractor to carry out additional tests. If these varied or additional tests show that the tested Plant, Materials or Works is not in accordance with the Contract, the Cost and any delay incurred in carrying out these Variations shall be borne by the Contractor.

(e) In the event that the Contractor did not give sufficient Notice to the Employer's Representative before covering the relevant parts of the Works, or the Employer’s Representative establishes that the Contractor's design, Materials, Plant or workmanship are defective or not in accordance with the Contract, the Contractor shall (at its cost) promptly make good the defect and ensure that the rejected item complies with the Contract or is replaced with an approved item. The Contractor is responsible for the full cost of uncovering and/or demolition, testing and reinstatement of the Work.
4.12 Site Conditions

(a) The Contractor acknowledges that:

(b) The Employer’s approval or refusal to permit the use of explosives shall not relieve the Contractor from any of its warranties, obligations or liabilities under or in connection with the Contract and the Contractor shall not be entitled to any additional time or additional costs for the execution of the Works in relation to such approval or refusal.
4.17 Royalties

(a) Unless otherwise stated in the Contract, the Contractor shall pay all royalties, rents and other payments for:

(c) The Contractor shall promptly submit to the Employer's Representative all designs prepared by the Contractor under the Contract for Review, together with a Notice indicating the design is ready for review.

(d) Within fourteen (14) days of receipt of the Contractor’s design, the Employer’s Representative shall complete a Review and shall give a Notice to the Contractor:

(i) of No-objection (that may include comments concerning minor matters which will not substantially affect the Works); or

(ii) stating that the design submitted is not in accordance with the Contract and/or the Specification, with reasons.

(e) The Contractor shall not construct any element of the Permanent Works designed by the Contractor until receipt of a Notice of No-objection is given by the Employer under Sub-Clause 5.1 (d). Design that has been rejected shall be promptly amended and resubmitted. The Contractor shall resubmit all designs commented on, taking these comments into account as necessary.

(f) The Contractor shall be responsible and liable for any design it has prepared in relation to the Works, which shall include shop drawings, Temporary Works and any other design-related aspects.

(g) When completed, the part of the Works where the Contractor is responsible for the design shall be fit for the intended purposes as defined in the Contract and shall be in accordance with applicable technical standards, codes and regulations as stated in the Specification.
6 COMMENCEMENT, DELAYS AND SUSPENSION

6.1 Commencement of Works

(a) The Contractor shall commence the execution of the Works (including, without limitation, mobilization and procurement) on, or as soon as is reasonably practicable after, the Commencement Date and shall then proceed with the Works with due expedition and without delay.

6.2 Time for Completion

(a) The Contractor shall complete the whole of the Works, and each Section (if any), within the Time for Completion for the Works or Section (as the case may be) as stated in Schedule 1 [Contract Details], including completion of all work, passing all tests, rectifying all defects and submitting all information and/or documentation which is stated in the Contract as being required for the Works or Section to be considered to be completed for the purposes of taking over under Sub-Clause 7.1 [Taking Over of the Works or Section].

6.3 Programme

(a) Not later than twenty-one (21) days after the Commencement Date, the Contractor shall submit to the Employer’s Representative a fully detailed Programme for the Works in accordance with the Contract detailing how and when the Contractor proposes to carry out each stage of the Works, in accordance with Schedule 3.5 [Programme Requirements].

(b) The Employer's Representative shall complete a Review of the Programme and give a Notice to the Contractor no later than fourteen (14) days after receiving the Programme stating the necessary changes to comply with the Contract or give a Notice of No-objection.

(c) The Programme will be used to monitor the progress of the Works under the Contract, and the Employer’s Personnel shall rely on the Programme for the administration of the Contract. The Employer’s Representative may request the Contractor to submit a revised Programme at any time if the Programme fails to comply with the Contract, or ceases to reflect the actual progress.

6.4 Extension of Time

(a) Subject to Sub-Clause 16.1 [Notice of Claim], the Contractor shall be entitled to an EOT if and to the extent that the Time for Completion is or will be delayed by any of the Employer’s risks as described in Sub-Clause 13.2 [Employer’s Risks] or any other cause of delay giving rise to an entitlement to an EOT under a Sub-Clause of these General Conditions, provided that:

(i) the delay can be clearly demonstrated to have delayed the overall completion of the Works; and

(ii) the Contractor can demonstrate to the Employer’s Representative’s satisfaction that it has used its best endeavours to mitigate such delay and any costs and losses associated with it.
(b) If a delay caused by a matter which is the Employer’s responsibility is concurrent with a delay caused by a matter which is the Contractor’s responsibility, the Contractor’s entitlement to an EOT shall be waived for the period of concurrence.

(c) Despite any other provisions of the Contract, the Employer’s Representative may, at the sole and absolute discretion of the Employer, at any time make a fair and reasonable EOT. The Employer’s Representative has no obligation to grant, or to consider whether to grant, an EOT and is not required to exercise this discretion for the benefit of the Contractor.

6.5 Delay Damages

(a) If the Contractor fails to complete the Works or a Section (if any) within the Time for Completion, the Contractor shall pay Delay Damages to the Employer for this default.

(b) The Delay Damages shall be the amount stated in Schedule 1 [Contract Details], which shall be paid for every day which shall elapse between the relevant Time for Completion and the Date of Completion of the Works or relevant Section (if any).

(c) These Delay Damages shall not relieve the Contractor from its obligations to complete the Works or from any other duties, obligations or responsibilities which it may have under this Contract.

(d) If the cumulative amount of Delay Damages reaches the maximum amount stated in Schedule 1 [Contract Details], the Employer may terminate the Contract in accordance with Sub-Clause 11.2 [Termination for Contractor’s Default].

(e) This Sub-Clause 6.5 shall not limit the Contractor’s liability for Delay Damages in any case of fraud, gross negligence, deliberate default or reckless misconduct by the Contractor.

6.6 Suspension by Employer

(a) The Employer or the Employer’s Representative may at any time instruct the Contractor through a Notice to suspend the progress of part or all of the Works, and the Employer or the Employer's Representative may, in its discretion, notify the Contractor of the cause of the suspension.

(b) If the Contractor receives a Notice of suspension under this Sub-Clause 6.6, it shall immediately suspend the progress of the Works (or relevant part of the Works) until such time as the Employer or the Employer’s Representative gives a Notice to the Contractor to resume progress of the Works or those parts of the Works which have been suspended.

(c) If the suspension under this Sub-Clause 6.6 continues for more than one hundred and eighty (180) consecutive days, the Contractor may give a Notice to the Employer requesting permission to resume the suspended Works. If the Employer does not give a Notice of resumption of Work within twenty-eight (28) days after receiving the Contractor’s Notice for permission to resume, the Contractor may, by giving a second Notice to the Employer, treat the suspension as an omission of the affected parts of the Works under Sub-Clause 9.1 [Right to Vary]. If the suspension affects the whole of the Works, the Contractor may give a Notice in accordance with Sub-Clause 12.2 [Termination by Contractor].
6.7 Consequence of Employer’s Suspension

(a) If the Contractor suffers delay and/or incurs Cost from complying with an Employer’s instruction under Sub-Clause 6.6 [Suspension by Employer] and/or from resuming the work, the Contractor shall give Notice to the Employer and shall be entitled subject to Sub-Clause 16.1 [Notice of Claim] to an EOT and/or payment of such Cost.

(b) During such suspension, the Contractor shall protect, store and secure the Works (or relevant part of the Works) against any deterioration, loss or damage.

(c) The Contractor shall not be entitled to an EOT, or to payment of the Cost incurred, in respect of making good:

(i) of any defect, deterioration or damage caused by the Contractor’s faulty or defective design (if any), workmanship, Plant or Materials;

(ii) any deterioration, loss or damage caused by the Contractor’s failure to protect, store or secure the Works in accordance with Sub-Clause 6.6 [Suspension by Employer]; and/or

(iii) if the suspension is due to breach of the Contract by the Contractor or Contractor’s Personnel.

(d) After the permission or instruction to proceed is given, the Parties shall jointly examine the Works and the Plant and Materials affected by the suspension. The Contractor shall make good any deterioration or defect or loss of the Works or Plant or Materials, which has occurred during the suspension.
7 EMPLOYER’S TAKING OVER

7.1 Taking Over of the Works or Section

(a) The Works or a Section of the Works shall be taken over by the Employer when:

(i) the Works or relevant Section have been completed in accordance with the requirements of the Contract, except for any minor omissions, outstanding work and defects which will not affect the safe use of the Works for the intended purpose;

(ii) if applicable, the Contractor has provided, and the Employer's Representative has given No-objection to as-built records and operation and maintenance manual;

(iii) if applicable, the Contractor has provided the training and completed testing specified in the Contract;

(iv) if applicable, the Contractor has satisfactorily completed clearance and/or reinstatement of designated Sites in the Contract;

(v) any requirements for taking over under the Contract have been fulfilled; and

(vi) a Taking-Over Certificate for the Works or Section has been issued.

(b) Accordingly, the Contractor may apply for a Taking-Over Certificate by giving a Notice to the Employer's Representative at least fourteen (14) days before the Works or a Section of the Works (if any) will be complete and ready for taking over in accordance with this Sub-Clause 7.1.

7.2 Taking-Over Certificate

(a) The Employer’s Representative shall, within twenty-eight (28) days after receiving the Contractor’s Notice under Sub-Clause 7.1 [Taking Over of the Works or Section], either:

(i) issue the Taking-Over Certificate to the Contractor stating the Date of Completion (this may have attached a list of minor omissions, outstanding work and defects); or

(ii) reject the application by giving a Notice to the Contractor with reasons and specifying the work required to be completed, the defects required to be corrected and/or documents required to be submitted by the Contractor or conditions to be fulfilled in accordance with Sub-Clause 7.1 [Taking Over of the Works or Section].

(b) In case of Sub-Clause 7.2 (a) (ii), the Contractor shall then satisfactorily complete the work and correct the defects (except for any minor omissions, outstanding work and defects which will not affect the safe use of the Works or Section for the intended purpose) before issuing a further Notice under Sub-Clause 7.1 [Taking Over of the Works or Section].

(c) The Contractor acknowledges and agrees that it has full responsibility for the Works or Section until the Taking-Over Certificate has been issued by the Employer.

(d) In the event that the Employer uses (or occupies) any Part of the Works or Sections before the Taking-Over Certificate is issued, the Part shall be deemed to have been taken over and the Employer shall issue a Taking-Over Certificate with the date on which the Part of the Works or Section were occupied.
8 DEFECTS LIABILITY

8.1 Completion of Outstanding Works and Remediying Defects

(a) The Employer may at any time prior to the expiry of the relevant DNP give a Notice to the Contractor of any defects or outstanding work with an identified time for rectification arising from:

(i) Plant, Materials or workmanship which is not in accordance with the Contract (fair wear and tear excepted);

(ii) the Contractor's design (if any) of the Works; and/or

(iii) improper operations or maintenance which was attributable to the as-built records and/or operation and maintenance manuals and/or training for which the Contractor is responsible, if applicable.

(b) The Contractor shall remedy the defect or damages within the time specified by the Employer in the Notice under this Sub-Clause 8.1. All work under this Sub-Clause 8.1 shall be executed at the risk and cost of the Contractor.

(c) If the Contractor fails to rectify the defect or damages within the time specified in the Notice, or any further period as agreed with the Employer, the Employer may carry out the work by itself or engage another party to do so (including testing) at the Contractor's risk and expense. The Employer shall be entitled under Sub-Clause 10.12 [Set-off] to payment by the Contractor of the cost reasonably incurred by the Employer in remediying the defects and/or damages.

(d) The Employer shall be entitled to an extension of the DNP if and to the extent that the Works, Section, Part of the Works or a major item of Plant (as the case may be):

(i) cannot be used for its intended purpose(s) by reason of a defect or damage; or

(ii) due to failure by the Contractor to comply with any other obligation of the Contract.

(e) Such extension of the DNP will be reasonable and as determined by the Employer and notified accordingly to the Contractor.

8.2 Further Tests after Remediying Defects

(a) If the work of remediying any defect or damage may affect the performance of the Works, the Employer's Representative may require the repetition of any of the tests described in the Contract and that are necessary to demonstrate that the remedied Works and/or Plant or Material comply with the Contract. These repeated tests shall be carried out at the risk and cost of the Contractor as part of the cost of the remedial work under Sub-Clause 8.1 [Completion of Outstanding Works and Remediying Defects].
8.3 Final Completion Certificate

(a) Performance of the Contractor's obligations shall not be considered to have been completed until the Employer has issued the Final Completion Certificate to the Contractor, stating the date on which the Contractor fulfilled its obligations under the Contract.

(b) The Employer shall issue the Final Completion Certificate within twenty-eight (28) days after the expiry of the DNP for the whole Works or the latest of the expiry dates of the DNPs for Sections, or as soon thereafter as the Contractor has supplied all relevant documents and completed and tested all of the Works, including remedying defects notified under Sub-Clause 8.1 [Completion of Outstanding Works and Remediying Defects].

8.4 Unfulfilled Obligations

(a) After the Final Completion Certificate has been issued, each Party shall remain liable for the fulfilment of any obligation which becomes apparent at that time. For the purposes of determining the nature and extent of unperformed obligations, the Contract shall be deemed to remain in force.

(b) Subject to any express provision in the Contract to the contrary, the respective warranties, obligations or liabilities of the Parties do not cease on the completion, expiry or termination of this Contract.

(c) Notwithstanding the issue of a Final Completion Certificate, the Contractor shall be responsible for remediying at its cost and expense any Latent Defect, as well as any damage to the Works caused by such Latent Defect, which appears or occurs at any time during the Latent Defect Period.

8.5 Clearance of Site

(a) Promptly after the issue of the Final Completion Certificate, the Contractor shall at its own cost:

(i) remove any remaining Contractor's Equipment, surplus material, wreckage, rubbish and Temporary Works from the Site;

(ii) reinstate all parts of the Site which were affected or altered by the Contractor's activities during the execution of the Works; and

(iii) leave the Site and the Works in a clean and safe condition.
9 VARIATIONS AND ADJUSTMENTS

9.1 Right to Vary

(a) The Employer may, in its absolute discretion and at any time before the Taking-Over Certificate is issued, initiate or instruct Variations by giving a Notice to the Contractor.

(b) Variation may include:

(i) changes to the quantities of any item of work included in the Contract (however, such changes do not necessarily constitute a Variation);

(ii) changes to the quality and other characteristics of any item of work;

(iii) changes to the levels, positions and/or dimensions of any part of the Works;

(iv) omission of any part of the Works;

(v) any additional work, Plant, Materials or services necessary for the Permanent Works, including any associated tests on completion, boreholes and other testing and exploratory work; and/or

(vi) changes to the sequence or timing of the execution of the Works (including advancing or postponing the Time for Completion).

(c) The Contractor shall submit a proposal, unless the Contractor promptly gives a Notice to the Employer’s Representative stating (with detailed supporting particulars) that:

(i) the Contractor does not have the relevant expertise;

(ii) the Contractor cannot readily obtain the Goods required for the Variation; or

(iii) any other reason that adversely affects the Contractor’s obligations under the Contract.

(d) The Contractor shall within fourteen (14) days of receipt of the Notice, and before the Contractor carries out the Variation, submit to the Employer’s Representative a detailed proposal, including:

(i) a detailed description of the varied works to be performed including pertinent details such as resources, methodology and Programme;

(ii) a breakdown of the increase or decrease in the Contract Price and any effect on the Programme and Time for Completion; and

(iii) any further particulars that the Employer’s Representative may reasonably require.

(e) The Employer’s Representative shall respond with approval, disapproval or comments to the proposal. The Contractor shall then be bound by any such Variation Notice and shall execute the Variation with due expedition and without delay.
9.2 Valuation of Variations

(a) Variations shall be valued by the Employer's Representative as follows:

(b) After receiving the Notice under Sub-Clause 14.2 [Notice of Force Majeure] and subject to Sub-Clause 16.1 [Notice of Claim], the Employer shall proceed to agree or determine the matters contained in such Notice.

(c) Without prejudice to the Contractor's rights to Sub-Clause 13.3 [Consequences of Employer's Risks], the Contractor shall not be entitled to reimbursement of any additional Cost incurred and/or any corresponding adjustment to the Contract Price resulting from Force Majeure.

(d) For the avoidance of doubt, if the Contractor is instructed by the Employer's Representative to implement mitigation measures related to Force Majeure, these shall be deemed to have been given under Sub-Clause 9.1 [Right to Vary].
14.5 Optional Termination and Payment

(a) If the execution of substantially all the Works in progress is prevented for a continuous period of eighty-four (84) days by reason of Force Majeure of which Notice has been given under Sub-Clause 14.2 [Notice of Force Majeure], or for multiple periods which total more than one hundred and forty (140) days due to the same Force Majeure, then either Party may give to the other Party a Notice of termination of the Contract. In this event, the termination shall take effect fourteen (14) days after the receipt of the Notice by the other Party. The Contractor shall then proceed in accordance with Sub-Clause 14.6 [Contractor’s Obligation after Termination].

(b) After the date of termination, the Contractor shall, as soon as practicable, submit to the Employer’s Representative (with a copy to the Employer) detailed supporting particulars which shall include:

(i) the value of the Works executed up to the date of termination and for which the Contractor has not been paid;

(ii) the actual costs of Materials and Plant reasonably delivered to the Site and are in accordance with the Contract;

(iii) any sums to which the Contractor is entitled under Sub-Clause 16.1 [Notice of Claim]; and

(iv) the reasonably and properly incurred Cost of repatriation and demobilization.

(c) The Employer’s Representative shall then proceed to agree or determine the net balance due to the Contractor adjusted by any amount to which the Employer is entitled under the Contract. The Employer shall accordingly pay to the Contractor the amount so agreed or determined in accordance with Sub-Clause 10.4 [Interim Payment Certificate] issued by the Employer’s Representative, without the need for the Contractor to submit a Statement.

14.6 Contractor’s Obligation after Termination

(a) After termination of the Contract under Sub-Clause 12.2 [Termination by Contractor], Sub-Clause 11.4 [Termination for Employer’s Convenience] or Sub-Clause 14.5 [Optional Termination and Payment] the Contractor shall promptly:

(i) cease all further work (except to the extent specified in the Notice of termination from the Employer) and take such action as necessary or as directed by the Employer for the transfer, protection and preservation of the Employer’s property, for protection of life or property or for the safety of the Works;

(ii) deliver to the Employer all Contractor’s Documents, Plant, Materials and other work for which the Contractor has received payment; and

(iii) remove all other Goods from the Site (except as necessary for safety) and any wreckage, rubbish and debris of any kind and leave the Site in a clean and safe condition.
15 INSURANCE

15.1 Extent of Cover

(a) The Contractor shall, on or prior to the Commencement Date, effect and thereafter maintain the following valid and enforceable insurances in the joint names of the Parties (to the extent possible), as applicable:

(i) Construction all risks insurance: for loss and damage to the Works, Materials, Plant, Contractor’s Documents and the Contractor’s Equipment for not less than the full reinstatement cost, including the costs of demolition, removal of debris and professional fees and profit;

(ii) Public liability insurance: for liability of both Parties for loss, damage, death or injury to third parties or their property arising out of the Contractor’s performance of the obligations under the Contract, including the Contractor’s liability for damage to the Employer’s property other than the Works;

(iii) Workers’ compensation insurance: against liability for claims, damages, losses and expenses on no-fault basis or negligence (including legal fees and expenses) arising out of the execution of the Works in respect of injury, sickness, disease or death of any Contractor’s Personnel. The Employer shall also be indemnified, except losses and claims to the extent that arise from any act or neglect of the Employer or of the Employer’s Personnel; and

(iv) all other insurances required by Laws, trade associations and industry bodies in the Country and those identified in Schedule 3.11 [Insurance Requirements].

(b) If stated in Schedule 3.11 [Insurance Requirements], the Contractor shall also effect and maintain professional indemnity insurance in relation to the Contractor’s obligations concerning the design of the part of Works to the extent specified in the Contract.

(c) The Contractor shall also procure and maintain at all times any other valid and enforceable insurances as may be required by Laws and cause its Subcontractors to effect and maintain at all times such valid and enforceable insurance(s).

(d) Unless otherwise instructed by the Employer, the Contractor’s insurances shall be placed with insurers of good repute and with a financial rating of not lower than Standard & Poor’s BBB, Moody’s Baa or A.M. Best BBB+.

15.2 Arrangements

(a) All Contractor’s insurances under Sub-Clause 15.1 [Extent of Cover] shall conform with the requirements described in Schedule 3.11 [Insurance Requirements].

(b) The Contractor shall effect and maintain all insurances with insurers and in terms approved by the Employer. The Contractor shall provide the Employer with evidence that any required insurance policy is in force and that the premiums have been paid.
(c) The insurances referred to in Sub-Clause 15.1 [Extent of Cover] shall:

(i) name or firmly indicate the Employer as co-insured;

(ii) contain a clause waiving the insurers’ subrogation rights against each insured party, its personnel and agents (except where such rights are due to a vitiating act); and

(iii) provide that the Employer shall receive a written notice from the insurer not less than fourteen (14) days prior to any cancellation, non-renewal or amendment.

(d) All payments received from insurers relating to loss or damage to the Works shall be held jointly by the Parties and used for the repair of the loss or damage or as compensation for loss or damage that is not to be repaired.

(e) The Contractor shall be responsible for handling any claims under the Contractor’s insurances. In this regard, the Contractor shall keep the Employer fully informed and seek the cooperation of the Employer and its professional advisors.

(f) The Contractor shall not, without obtaining the prior written consent of the Employer and the insurer (as may be required under the applicable insurance):

(i) make any admission of liability to a third party;

(ii) enter into any negotiation to settle or compromise a claim under a Contractor insurance;

(iii) enter into a settlement or compromise a claim on the Contractor’s insurances; or

(iv) commence litigation or arbitration proceedings.

(g) The Contractor shall be responsible under any of the insurance policies required under Sub-Clause 15.1 (a) [Extent of Cover] for any deductible, fees and other costs or failure to recover in whole or part, in which case the Contractor shall indemnify the Employer in respect of such deductible, fees and other costs or failure to recover.

(h) If the Contractor fails to procure or maintain at all times any of the insurances required under Sub-Clause 15.1 [Extent of Cover], or fails to provide satisfactory evidence and copies of policies in accordance with this Sub-Clause 15.2, the Employer may, at its option and without prejudice to any other right or remedy, after having notified the Contractor in writing, pay any premiums or take any such other steps as may be required to procure or maintain such insurance in force at the expense of the Contractor.

(i) Neither failure to comply nor full compliance with the insurance provisions of the Contract shall limit or relieve the Contractor of its liabilities and obligations under the Contract. Any amounts not insured or not recovered from the insurers shall be borne by the Contractor and/or the Employer in accordance with these obligations, liabilities or responsibilities.

(j) The cost of the Contractor’s insurances shall be deemed to be incorporated into the Contract Price.

(k) The obligations in this Clause 15 [Insurance] shall remain valid following the completion, termination or expiry of the Contract.
15.3 Failure to Insure

(a) If the Contractor fails to effect or keep in force any of the insurances referred to in Sub-Clause 15.1 [Extent of Cover], or fails to provide satisfactory evidence, policies or receipts, the Employer may, at its option and without prejudice to any other right or remedy, terminate the Contract immediately by Notice of termination in accordance with Sub-Clause 11.2 [Termination for Contractor’s Default].
16 CONTRACTOR’S CLAIM

16.1 Notice of Claim

(a) The Contractor shall give a Notice to the Employer’s Representative as soon as practicable, in writing and no later than fourteen (14) days (or within a time frame notified by the Employer) after the Contractor becomes aware of any event or circumstance which may delay or disrupt the Works, or which may give rise to a claim for additional payment, Costs and/or other entitlements or relief from obligations arising out of or in connection with the Contract. The Contractor shall take all reasonable and necessary steps to minimize and mitigate the effects of the event or circumstance.

(b) If the Contractor considers itself to be entitled to an EOT and/or any additional payment resulting from the notified event or circumstance, then the Contractor shall, but not later than twenty-eight (28) days after the Notice submitted under Sub-Clause 16.1 (a), submit to the Employer’s Representative a fully detailed Claim including:

(i) a detailed description of the event or circumstance giving rise to the Claim;

(ii) the contractual basis of the Claim along with all contemporary records;

and

(iii) detailed supporting documents and particulars describing the EOT claimed and the nature and extent of any Costs or additional payment associated therewith.

(c) Upon receipt of the Contractor’s fully detailed Claim, the Employer’s Representative shall assess the Claim along with the supporting documents and records and notify its agreement or determination of the Contractor’s entitlement (if any) under the Contract for:

(i) additional payment; and/or

(ii) an EOT.

(d) The Contractor shall not be entitled to an EOT or any additional payment or Costs if it fails to give a Notice of Claim within the period of fourteen (14) days in accordance with Sub-Clause 16.1 (a), in which case the Contractor shall be deemed to have waived its entitlement to make such Claim, the Employer shall be discharged from any liability arising out of or in connection with the event or circumstances giving rise to the Claim, and the Contractor shall comply with its obligations to perform the Works by the Time for Completion and for the Contract Price.
17 DISPUTE RESOLUTION

17.1 Right to Joinder

(a) The Contractor and the Employer agree to resolve Disputes under or in relation with the Contract in accordance with this Clause 17 [Dispute Resolution].

(b) They further agree that if the Employer, after the signature of this Contract, enters into a subsequent contract with another party that is related to the Works, then the other party (such as another consultant or a works contractor) may become party to this Clause 17 [Dispute Resolution] by incorporation by reference in the subsequent contract entered into between the Employer and the other party. In this case, the Employer shall inform the Contractor in writing of such incorporation by reference.

17.2 Amicable Resolution

(a) In the event of a Dispute between the Parties, either Party may provide Notice of such Dispute to the respective representative(s) of the other Party(ies). That Notice shall:

   (i) set out the legal and contractual basis of the Dispute;

   (ii) set out the facts upon which the Dispute is based;

   (iii) have annexed copies of correspondence and any relevant background material;

   (iv) contain detailed particulars of the quantification of the Dispute; and

   (v) be duly signed by the authorized signatory of the Party issuing the Notice.

(b) Upon receipt of such Notice, the Party that has received the Notice may join any other party(ies) that may have become party to this Clause 17 [Dispute Resolution] by incorporation by reference under Sub-Clause 17.1 [Right to Joinder] with copy to the Party that provided the Notice.

(c) Then, the Parties’ representatives shall attempt to resolve the Dispute amicably. If the Employer’s Representative and the Contractor’s Representative are unable to resolve the Dispute amicably within twenty-eight (28) days of receipt of the Notice, the Dispute shall be referred by either Party to Senior Representatives of the Parties, to be designated in writing by the Parties at that time.

(d) If the Senior Representatives of the Parties are unable to resolve the Dispute amicably within twenty-eight (28) days of such reference of a Dispute, the Dispute shall be finally resolved, at the request of either Party, through arbitration in accordance with the provisions of Sub-Clause 17.3 [Arbitration].
17.3 Arbitration

(a) Any Disputes between the Parties arising out of or in connection with the Contract and the contracts set out in Sub-Clause 17.1 [Right to Joinder] shall be finally resolved, at the request of either Party, through arbitration in accordance with the United Nations Commission on International Trade Law Arbitration Rules (UNCITRAL) then in effect (the “Procedural Rules”).

(b) Any Party to this Clause 17 [Dispute Resolution] (either directly or under Sub-Clause 17.1 [Right to Joinder]) may, either separately or together with any other party to this Clause 17 [Dispute Resolution], initiate arbitration proceedings against one or multiple parties to this Clause 17 [Dispute Resolution].

(c) Any Party to this Clause 17 [Dispute Resolution] named as Respondent in a Notice of Arbitration may join any other party(ies) that may have become party to this Clause 17 [Dispute Resolution] by incorporation by reference under Sub-Clause 17.1 [Right to Joinder] in the arbitration by submitting a Notice of Joinder to the other party(ies) within thirty (30) days from the receipt by such Respondent of the relevant Notice of Arbitration, together with its response to the Notice of Arbitration to the Party that requested the arbitration. In this case, the party(ies) that received the Notice of Joinder shall have thirty (30) days to respond to the Notice of Arbitration and the Notice of Joinder before the proceedings can continue.

(d) There shall be three (3) arbitrators, selected according to the procedure set out in Sub-Clauses 17.3 (e) to 17.3 (g).

(e) If the Notice of Arbitration names only one (1) Claimant and one (1) Respondent and no Party has exercised its right to joinder in accordance with Sub-Clause 17.1 [Right to Joinder], each Party shall appoint one (1) Arbitrator within fourteen (14) days after the expiry of the period during which parties can exercise their right to joinder. The two (2) Arbitrators shall appoint the third Arbitrator, who shall act as chairperson.

(f) If more than two (2) Parties are named in the Notice of Arbitration, or at least one (1) Party exercises its right to joinder, the Claimant(s) shall (jointly) appoint one (1) Arbitrator and the Respondent(s) shall (jointly) appoint the other Arbitrator, both within fourteen (14) days after the expiry of the period during which the Parties can exercise their right to joinder. If the Claimant(s) and the Respondent(s) appoint the arbitrators as provided, the two (2) Arbitrators shall then appoint the third Arbitrator, who shall act as chairperson. If one (1) or both of the Parties fail to appoint an Arbitrator as provided, the Secretary General of the Permanent Court of Arbitration shall, upon the request of any party, appoint all three (3) Arbitrator(s) on their behalf and designate one (1) of them to act as chairperson.

(g) If more than one (1) arbitration is initiated under this Clause 17 [Dispute Resolution] (either directly or under Sub-Clause 17.1 [Right to Joinder]) and any Party thereto contends that two (2) or more arbitrations are substantially related and that the issues should be heard in one (1) proceeding, the arbitrators selected in the first filed of such arbitrations shall determine whether, in the interests of justice and efficiency, the proceedings should be consolidated before those Arbitrators.
(h) The seat or place of arbitration shall be determined at the time of the Dispute.

(i) The language of the arbitration shall be English.

(j) The decisions of the Arbitrators shall be guided by the general principles of international commercial law as codified in the International Institute for the Unification of Private Law (UNIDROIT) in effect at the Contract Effective Date, as the Law Applicable to the Contract.

(k) The Arbitrators shall have no authority to award punitive damages. In addition, the arbitral tribunal shall have no authority to award interest in excess of the United States Federal Reserve Bank of New York’s Secured Overnight Financing Rate (SOFR) then prevailing, and any such interest shall be simple interest only.

(l) The Parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such Dispute.

(m) The arbitral proceedings and any information and documents relating to these proceedings shall be regarded as confidential, subject to Sub-Clause 1.9 [Confidentiality].

17.4 Dispute Resolution Not to Delay Execution of the Works

(a) Despite any activation of the dispute resolution procedures under this Clause 17 [Dispute Resolution], the Contractor shall continue to execute the Works and its other obligations under and in connection with the Contract.

17.5 Survival

(a) This Clause 17 [Dispute Resolution] survives the completion, expiry or termination of the Contract.

5.1 Form for Advance Payment Security

ADVANCE PAYMENT SECURITY

[On the letterhead of the institution issuing the security]

Date: __/__/____

Advance Payment Security Number: [#######]

To: UNOPS

[insert address of the Employer]

We have been informed that you have entered into a Contract dated [insert date] with [insert company name] (hereinafter called the “Contractor”) titled [insert contract title] with Contract No. [insert number] for the [insert name of the project] for certain works and services (hereinafter called the “Works”) to be undertaken by the Contractor (hereinafter called the “Contract”).

Furthermore, we understand that, according to the conditions of the Contract, an advance is to be made against an Advance Payment Security. At the request of the Contractor, we irrevocably and unconditionally notwithstanding any objection which may be made by the Contractor and without any right of set-off or counterclaim, undertake with you that whenever you give written notice we agree to pay you on demand immediately any sum or sums not exceeding in total an amount of [insert amount(s) in words (and figures) with the relevant currency] (hereinafter called the “Guaranteed Sum”) upon receipt by us of your first demand in writing declaring that the supplier is in breach of its obligation under the Contract with respect to the advance payment. It is a condition for any claim and payment under this guarantee to be made, that the advance payment referred to above must have been received by the Contractor.

This Guarantee for Advance Payment (hereinafter called the “Guarantee”) is valid and will continue to be valid from the date of this letter and until the Guaranteed Sum has been recovered by you. The Guaranteed Sum shall reduce automatically proportionally to the part of the advance payment you have recovered according to the terms and conditions for the advance payment. This Guarantee will automatically expire upon us receiving from you certification that the Guaranteed Sum has been fully repaid by the Contractor.

Any payment by us to you in accordance with this Guarantee must be in immediately available and freely transferable [insert currency] free and clear of and without any deduction for or on account of any present or future taxes, levies, imposts, duties, charges, fees, set off, counterclaims, deductions or withholdings of any nature whatsoever and by whomever imposed.

Our obligations under this Guarantee constitute direct primary, irrevocable and unconditional obligations. Additionally, our obligations do not require any previous notice to be given to the Contractor and do not require that any claim be made against the Contractor. Further, our obligations will not be discharged and will not be otherwise prejudiced or adversely affected by any:

- time, lenience or tolerance which you may grant to the Contractor;
- amendment, modification or extension which may be made to the Contract or the Works performed under the Contract;
- intermediate payment or other fulfilment made by us;
- change in the constitution or organization of the Contractor; or
- other matter or thing which in the absence of this provision would or might have that effect, except a discharge or amendment expressly made or agreed to by you in writing.

This Guarantee may not be assigned by you to any third party, without our prior written consent, which must not be unreasonably withheld. You must notify us in writing of any assignment, after which we must make any
payment claimed under this Guarantee to the person, firm or company specified in the notice which will constitute a full and valid release by us in relation to that payment.

Any notice required by this Guarantee is deemed to be given when delivered (in the case of personal delivery) or forty-eight (48) hours after being dispatched by prepaid registered post or recorded delivery (in the case of letter) or as otherwise advised by and between the parties.

We agree that part of the Contract may be amended, renewed, extended, modified, compromised, released or discharged by mutual agreement between you and the Contractor, and this security may be exchanged or surrendered without in any way impairing or affecting our abilities under this Guarantee without notice to us and without the necessity of any additional endorsement, consent or guaranty by us, provided, however, that the Guaranteed Sum does not increase.

No action, event or condition which by any applicable law may operate to free us from liability under this Guarantee will have any effect. We waive any right we may have to apply such law so that in all respects our liability under this Guarantee will be irrevocable and, except as stated in this Guarantee, unconditional in all respects.

Capitalized words and phrases used within this Guarantee have the same meanings as are given to them in the Contract.

This Guarantee is governed by the Uniform Rules for Demand Guarantees (2010 Revision), International Chamber of Commerce Publication No. 758, provided that the supporting statement under Article 15 (a), and Articles 34 and 35 are excluded. Any disputes arising out or in connection with this Guarantee, or the breach, termination, or invalidity thereof will be referred to and finally resolved by arbitration in accordance with the United Nations Commission on International Trade Law (UNCITRAL) Arbitration Rules then in effect, the language of the proceedings being English.

Nothing in or relating to this Guarantee shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations, including its subsidiary organs, of which UNOPS is an integral part, which are hereby expressly reserved.
