Audit opinion on the project financial statement

Report of the Independent Auditors to UNOPS Uruguay Project Centre

We have audited the accompanying project financial statement for the project “Support for the International Fight against the AIDS Epidemic – Triangular Project of Financial Cooperation Brazil-Germany-Uruguay (KFW)” (“the project”) (Atlas award ID 94801), of UNOPS for the period from 2 May to 31 December 2016.

Management responsibility for the financial statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with International Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor’s responsibility

Our responsibility is to express an opinion on the financial statement based upon the results of our audit. We conducted our audit in accordance with the International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation of a financial statement that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Auditor’s opinion

In our opinion, the financial statement gives a true and fair view of, in all material respects, the income and expenditure of the project “Support for the International Fight against the AIDS Epidemic – Triangular Project of Financial Cooperation Brazil-Germany-Uruguay (KFW)” (Atlas award ID 94801), for the period from 2 May to 31 December 2016 in conformity with the terms of the agreements and in accordance with International Public Sector Accounting Standards.

"UNOPS has implemented the International Public Sector Accounting Standards (IPSAS) as of 01 January 2012 to conform with accounting practices promoted by the International Public Sector Standards Board (IPSASB), and as a response to the General Assembly decision to use a United Nations system-wide IPSAS implementation. UNOPS’ implementation of IPSAS is an integral part of strengthening the quality and uniformity of financial reporting within the United Nations system, and we have therefore made a number of revisions in our accounting policies including the Financial Regulations and Rules. In line with adopting the IPSAS standards there are a few changes to our presentation of the project financial statements such as terminology and expense recognition in 2012."

This statement is submitted for your information and record.

If you have any question, please do not hesitate to contact the project focal point.

Yours sincerely,
