Audit opinion on the project financial statement

We have audited the accompanying project financial statement for the project ‘Small Grants Programme – Operational Phase 5, Ukraine’ (Atlas Project ID 00078765, OneUNOPS Work Package 10175-001-13) of UNOPS for the period from 1 January 2011 to 30 September 2016.

Management responsibility for the project financial statement

Management is responsible for the preparation and fair presentation of the project financial statement in accordance with International Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor’s responsibility

Our responsibility is to express an opinion on the project financial statement based upon the results of our audit. We conducted our audit in accordance with the International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation of a financial statement that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Auditor’s opinion

In our opinion, the financial statement gives a true and fair view of, in all material respects, the income and expenditure of the project ‘Small Grants Programme – Operational Phase 5, Ukraine’ (Atlas Project ID 00078765, OneUNOPS Work Package 10175-001-13), for the period from 1 January 2011 to 30 September 2016 in conformity with the terms of the agreements and in accordance with International Public Sector Accounting Standards.
