## Financial audit report

### Audit opinion on the project financial statement

#### Unmodified opinion

We have audited the accompanying project financial statement for the project 'Phase II: Yemen Integrated Urban Services Emergency Project (YIUSEP II)' ("the project") (oneUNOPS project ID 22988-004), which is implemented and managed by the UNOPS Office in Yemen, for the period from 27 July 2023 to 30 June 2024.

In our opinion, the financial statement gives a true and fair view of, in all material respects, the income and expenditure of the project 'Phase II: Yemen Integrated Urban Services Emergency Project (YIUSEP II)' ("the project") (oneUNOPS project ID 22988-004), for the period from 27 July 2023 to 30 June 2024 in conformity with the terms of the agreements and in accordance with International Public Sector Accounting Standards.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those provisions and standards are further described in the 'Auditor's responsibility for the audit of the project financial statement' section of this report.

We are independent of UNOPS in accordance with the IESBA Code of Ethics for Professional Accountants. We have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Management responsibility for the financial statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with International Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of a financial statement that is free from material misstatement, whether due to fraud or error.

#### Auditor's responsibility for the audit of the project financial statement

The objectives of our audit are set out in the terms of reference for the audits of UNOPS projects, as issued by the Internal Audit and Investigations Group (IAIG) of UNOPS, and include obtaining reasonable assurance about whether the project financial statement is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of the project financial statement.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also identify and assess the risks of material misstatement of the project financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to

provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.
